

Dear Favorite Store Manager,

You are my favorite store for great food and groceries! I shop with you regularly because you have all the products I love to take home and enjoy with my friends and family – except one – Belle Chevre Goat Cheese.

I found this great award-winning goat cheese that is hand-made in, of all places, Elkmont, Alabama, where the soil and water is rich in limestone, creating this luxuriously mild flavor. Belle Chevre cheese is perfect everyday for my omelettes, sandwiches, gourmet dinners – and even for dessert!

I wanted to let you know that you could make me oh so happy if you would include Belle Chevre products in your stores.

You may contact the nice people at Belle Chevre by emailing them at info@bellechevre.com or calling them 256.423.2238 to find out the best way to order their fine selections of goat cheeses.

Thank you for being my even more favorite store by ordering Belle Chevre!

Sincerely,

Belle Chèvre
