

Snow's Bend Farm is owned by David Snow. Lovely orange and yellow carrots, ping-pong ball sized white, red and golden turnips, candy cane beets, leeks and rainbow Swiss chard as well as a multitude of other organic vegetables are available for retail purchase locally at Oak Street Local Market and Pepper Place Market.

Snow also offers community sup-

ported agriculture, which is a unique producer/consumer relationship. Consumers invest in a farm's harvest at the beginning of the season, which ensures a market for the products and cash flow at the time when most needed. In exchange, the farm guarantees \$15 to \$20 worth of the highest-quality produce they have every week throughout the season. Visit [\[bendfarm.com\]\(http://bendfarm.com\) for information.](http://snows</p></div><div data-bbox=)

Local Farmers Markets

Findley Avenue Market is open year-round. Other farmers markets that are open during spring until into fall include East Lake Farmer's Market, Leeds Market, Oak Street Local Market, Park Place Market at Linn Park, Pepper Place and Trussville Market.
