

Belle Chèvre
Artisan Goat Cheese

Artisan goat cheese made by Earth Fare Employees!

Our Batch!

Some Earth Fare employees had the privilege to go to Elkmont, Alabama and make a batch of goat cheese for a day at the Belle Chevre Creamery.

We are committed to carrying as many local products as possible and helping small producers get their products into customer's hands.

Earth Fare's handmade batch of chevre is in stores now! Ask for a sample! You'll love it!
