

Dear Favorite Store of Mine,

You are my favorite store for great food and groceries! I shop with you regularly because you have all the products I love to take home and enjoy with my friends and family – except one.

I wanted to let you know that you could make me oh so happy if you would include Belle Chevre's healthy cheeses in your stores.

You may contact the nice people at Belle Chevre by emailing them at tasia@bellechevre.com or calling them at 256-732-4801 to find out the best way to order their fine selections of goat cheeses.

Thank you for being my even more favorite store by ordering Belle Chevre!

Sincerely,
